

PILATUS AIRCRAFT LTD. CH-6371 STANS, SWITZERLAND

SERVICE LETTER

SUBJECT: PRATT & WHITNEY CANADA (P&WC) SERVICE INFORMATION LETTER (SIL) PT6A-148

To all Customers, Operators and Service Centers:

Date: Oct 15/07

This Service Letter is issued to draw attention to the following vendor information:

P&WC SIL PT6A-148 - CLEANABLE OIL FILTERS MARKED 'NONCLEANABLE'.

P&WC SIL PT6A-148 advises operators that a replacement oil filter introduced in October 2005 was marked 'NONCLEANABLE'. The filters can, in fact, be cleaned in accordance with the cleaning instructions given in the Engine Maintenance Manual.

The P&WC SIL gives the engine applicability of the oil filter.

Pilatus fully supports the content of P&WC SIL PT6A-148 as cleaning can avoid unnecessary replacement of the oil filter.

Operators requiring further information on this subject, please contact one of the addresses given below:
